

# MYKOLAÏV SHIPYARD REVITALIZATION

РЕВІТАЛІЗАЦІЯ МИКОЛАЇВСЬКОГО СУДНОБУДІВНОГО ЗАВОДУ

Find out more about the project and how to get involved at [www.oneworksfoundation.com/un4mykolaiv](http://www.oneworksfoundation.com/un4mykolaiv)

An iconic revitalization project designed to transform a former waterfront industrial site into a vibrant mixed-use area, combining residential, commercial, and recreational spaces. This development will attract and host activities that boost community interaction and enhance the waterfront experience.

A vibrant new waterfront destination featuring commercial properties, shopping, and dining options, alongside residential developments and office spaces for service industries. It includes recreational areas, green public spaces, and preserves historical industrial heritage for cultural uses. Facilities for yacht storage and small-scale shipbuilding enterprises complete the development.

1. Economic Revitalization

2. Recreational and Social Waterfront Destination

3. Cultural and Historical Preservation

4. Residential and Commercial Integration

5. Maritime and Boating Infrastructure

6. Increased Accessibility and Connectivity

7. Sustainable Development
